WILLOUGHBY & HILL

"At last" the newspapers have called for our portraits, to be USED when we "do something" for our country. We hired "Mr. Meissonier," and the above is the result. "TRUE," he does not flatter us, although we paid him to. We look much better. However, some of our acquaintances will say "we don't" (we have refused credit to many of them), and to prove we have no hard feelings toward "somebody" we show what we call "malice" by making public the below misrepresentations sent in to us by "somebody."

WILLOUGHBY & HILL

WE OFFER (WITH OUR LATE ORDERS) THE

GOTTERDAMMERUNG SUIT,

THE LATEST NOVELTY.

ALSO WE OFFER (WITH EYES DOWNCAST) THE

A Spring Overcoat. In offering the best Clothing that CAN BE, to the MALE SEX only (no DRY GOODS at present), but, who knows? Willoughby and Hill desire to say that the present advertising of goods, "WORTH" almost double the prices asked, is simply MONOTONOUS "LYING." The papers are full of it. Suits, $9.91, worth $15; Shoes, $3, worth $4.35. What an absurd "lie" that is; just as well say worth four dollars and a cent. One of these "ANANIASES" says he sells all his Boys' Clothing at 50 per cent LESS THAN ANYBODY ELSE, and he pays $50,000 a year rent. Willoughby and Hill offer elegant suits of clothes for sale at:

NO MONEY OBTAINED BY FALSE PRETENSES.

$18, Worth no more than $18; worth $18
$20, Worth no more than $20; worth $20
$25, Worth no more than $25; worth $25
$30, Worth no more than $30; worth $30

The splendid Brokaw Bros.' Clothes, "None Such." We truly believe we sell more suits at $20 and $25 than at any other price. No clothing dealers in the world sell better goods than Willoughby & Hill, and few as good.

Ayer's Sarsaparilla.

Head of the List.

I know of no cure equally, if not as completely, blood purifier like Ayer's Sarsaparilla. For building up the health generally, it stands at the head of the list, and I am glad to be able to certify that the public will receive valuable Ayer's Sarsaparilla for less.

C. F. MULLER,
Cor. High and Androtan-sts., Lowell.

Ayer's at the Front.

As a druggist and practitioner I have been identified with the drug trade in Lowell over five years, during all which time I have commanded a wealthy increasing demand for Dr. Ayer's remedies. Ayer's Sarsaparilla is out of the front, where it easily holds it by merits, second to none. In my opinion there is no better blood purifier than the standard remedy.

H. H. HAMOR,
Market and Gallish-sts., Lowell.

Demand Constantly Increasing.

I take pleasure in stating the fact that among all the blood purifiers Ayer's Sarsaparilla—the longest in the market—has the honors of and—more as always maintain its high reputation. It is endorsed by the best medical authority, and is what it claims to be—a genuine Sarsaparilla. I recommend it to my patrons with the fullest confidence in its results, and make it constantly the standard for it.

C. STUART, M. D.,
24 Merrimack-st., Lowell.

Ayer's Is the Best.

From long experience, when my opinion is sought, the invariable advice the lot of Ayer's Sarsaparilla as the best preparation for the blood. We have used Ayer's Sarsaparilla in our own families for years, and always with the most satisfactory results. We have a host of customers who say they would not go through the spring without Ayer's Sarsaparilla. It makes them feel brighter, stronger, and enjoy life much more.

HERRICK & SILVER,
Lawrence and Worcester-sts., Lowell.

Sales Steadily Increasing.

The sales of Ayer's Sarsaparilla are very satisfactory and steadily increasing. There is no better blood purifier.

ELLIOTT CHANDLER,
29 Central-st., Lowell.

Its Popularity Increases.

During the month past in which we took the agency of Ayer's Sarsaparilla we have sold more than one of all other kinds of blood purifiers. Its popularity increases.

C. C. WEST WOOD,
81 Central-st., Lowell.

Still the Best.

The extraordinary cures which Ayer's Sarsaparilla is producing, as well as the fact that those of all physicians, have long established this blood purifier as the best that can be had, and is increasing sales indicate that the public appreciate it.

C. J. HILLS & CO.,
25 Post Office-sq., Lowell.

Ayer's Is the Standard.

The sales of J. C. Ayer & Co. on the strength of judicious promises in the efficacy of the preparations made by this standard house. AYER'S Sarsaparilla, now as ever, is the standard blood medicine, and in common demand.

GEORGE H. HOOD,
56 Bridge-st., Lowell.

Sales Constantly Increasing.

The sale of Ayer's Sarsaparilla is constantly increasing. We are thoroughly convinced from the effects and results which have come under our observation that this remedy is all that is claimed for it. We advise families to continue it.

JOHN J. GIBSON & CO.,
Cross Central and Merrimack-sts.

Largely Preferred.

Ayer's Sarsaparilla is one of the few proprietary medicines we can confidently endorse. Its ingredients are among the best blood purifiers in pharmacy, compounded with the utmost care, skill, and economy, and its efficacy, for cure and lasting benefit, is unsurpassed by any other.

MORRISON, FOSS & CO.,
Opp. Merrimack-st., Lowell.

Often Spoken in Its Favor.

I am often asked my opinion of Ayer's Sarsaparilla, and being familiar with its formula, I can speak confidently in its favor. My sales are steadily increasing.

ARTHUR THURSTON,
Corner North and Central-sts., Lowell.

Gaining in Popularity.

As a safe and reliable blood purifier I recommend Ayer's Sarsaparilla. It has been favorably known for many years, and has a solid basis of merit which has been proved and tested by numerous cases coming to my personal knowledge. It has been a satisfaction to me as a druggist to find this great old medicine steadily gaining in popularity and confidence.

ARTHUR SARGENT,
Merrimack-st., Lowell.

Ayer's Holds First Place.

Among all the Sarsaparillas now before the public no other is unanimously held as a meritorious preparation. Its weight alighted to the end for which it is designed, as Ayer's. The results of its use are most successful and enduring, but where properly taken the most terrible of blood maladies disappear, and great cures in the debility, weakness, and general ruin to the system, and promotes vitality, health, and strength. We therefore recommend this medicine with confidence that it will do all that is claimed for it, and that it will continue to hold the first place among blood purifiers.

A. L. FIELD,
297 Merrimack-st., Lowell.

—Of All Others. We Refer to the Following

Letters from Lowell Druggists:

☞ Readers of the following testimonials will remark the high estimation in which Ayer's Sarsaparilla is unanimously held by the druggists of our own city. This point is one that we look with pride, because during the nearly half century since we established ourselves in this section there have been ample opportunity to know the character of our fellow and the quality of our goods, and also because, by their professional character and their intimate relations with the medical men and best citizens of Lowell they are peculiarly qualified to judge correctly and advise safely in matters which affect the health and lives of our citizens.

It is for such readers that when in many of our leading pharmacies mostly on their personal knowledge of the ingredients and mode of manufacture of Ayer's Sarsaparilla, and have in prescribing it for their blood purifier, no better than their medical skill have given weight. There is no secret about the ingredients or manner of compounding this medicine. Its composition has undergone from, but is a highly concentrated vegetable extract, a decoction originated, compounded to value for any similar preparation. Druggists and physicians are fully acquainted with our methods and invited to inspect our laboratories. From the very first with the best advanced ingredients have been used, regardless of cost, and always the basis of our remedy has been the genuine Honduras Sarsaparilla, and known as the richest in medicinal virtues of all the varieties of this root. Ayer's Sarsaparilla is the economic influence of misfortune of Medicine who will use no other blood purifier, and is the only blood purifier admitted medicine of its class.

Ayer's Has a Great Sale.

Your manufacturers of proprietary medicines take the medical profession and the drug trade into their confidence, but Dr. J. C. Ayer & Co. have been so great more than the rest to make the interests of their preparations and dealers in druggists and physicians. The result is that their medicines are recognized as standard remedies. The result is that their medicines are recognized as standard remedies. They are known to the sale and satisfactory. We always take pleasure in calling the recommendation of Dr. J. C. Ayer & Co.'s Sarsaparilla, the standard of the U. S. Their preparations are the embodying of the best quality of ingredients and compounds, would have confidence in recommending that their product is the very best of its kind. Ayer's Has No Equal.

It is our experience that Ayer's Sarsaparilla has no equal as a blood purifier, regulator, and invigorator. We sell more than a score of other sarsaparillas, but none compare with Ayer's Sarsaparilla in satisfactory results. SURPRISED.

When, a year ago, we moved into our present quarters we expected to have room to spare. But the wonderful increase in our business since adopting the plan of selling goods on one-half our former margins has compelled us to enlarge our premises by the addition of 12,000 more square feet of room. This enables us to display to better advantage our line of Furniture, which is truly "vast in extent" and complete in variety.

A line of specialties in Curtains and Draperies is attracting unusual attention.

We wish the public might know how far a little money will go in buying good reliable Furniture at the prices we quote.

It surprises our customers. We are surprised ourselves.

A DELICATE COMPLIMENT.

"Ah, Miss Smithers, you have a complexion which would make the fortune of the manufacturer of the soap you use, if it could be advertised. Pray, what is the brand?"

"Thanks, awfully, Mr. Flatterer; I never use soap. I use pure, clear moist fruity, and take a certain tonic occasionally which removes the necessity for any cosmetic or soap."

The "tonic" Miss Smithers mentioned, is a powerful sanative as well. It is Dr. Pierce's Favorite Prescription, and is the best remedy for "female weaknesses" known. By fortifying the health, the bloom of youth and the soft, round lines of the girlish face are preserved to an age when most women are wrinkled and gray from pain and suffering.

WARRANTED. "Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee of satisfaction in every case, or price ($1.00) refunded. This guarantee has been printed on the bottle-wrappers, and faithfully carried out for many years.

In all laryngeal ills, it imparts strength to the whole system. For overworked, "worried," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an supporting cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, sleeplessness, prostration, hysteria, spasms and other distressing, nervous symptoms, commonly attendant upon functional and organic disease. It induces refreshing sleep and relieves mental anxiety and despondency.

Copyright, 1895, by World's Dispensary Medical Association, Proprietors.

Dr. Pierce's Pellets regulate and cleanse the liver, stomach and bowels. One a dose. Sold by druggists.

The Wonderful Carlsbad Springs.

An Eminent Physician Reads a Paper of Great Interest Before the International Medical Congress.

At the Ninth International Medical Congress, Dr. A. L. I. Tuttle of the University of Pennsylvania read a paper stating that out of forty cases treated with Carlsbad Water and the Powder Carlsbad Spring Salt for chronic constipation, hypochondria, diseases of the liver and kidneys, jaundice, eczema, diabetes, dropsy from valvular heart disease, dyspepsia, catarrhal inflammation of the stomach, also of the stomach in uremia, chlorosis with anaemia, gout, rheumatism of the joints, gravel, etc., twenty-six were entirely cured, three much improved, and one not benefited long enough. Average time of treatment, four weeks. The Doctor states, in conclusion of his paper, that the Carlsbad Mineral Water, as imported by the City of Carlsbad, being the natural product, is much to be preferred, where the quantity of water is no object, particularly in diseases of the stomach. Wherever the quantity of water needed to take the Powder Carlsbad Spring Salt artificially with ordinary quality of water, such as this, exercise, etc. "My experience with the genuine imported Carlsbad Salt in practice has been such that I may fairly say that no remedy which I have ever prescribed has given me so much pleasure and profit as this particular one." The dose of Salt is a teaspoonful three times a day, before meals.

The genuine Carlsbad Spring Salt (powder form) is an excellent digestive, favorite, and laxative. It clears the complexion, purifies the blood. It is easily soluble, pleasant to take, and permanent in action. The genuine product of the Carlsbad Springs is exported in sealed bottles. Each bottle counts in a light blue paper cartoon, and has the signature "Eisner & Mendelson Co." and upside, 6 Barclay street, New York, on every bottle. Pamphlets mailed free upon application. Dr. Tuttle's lecture mailed free upon application.

AT THE PALO ALTO FARM.

A visit to Leland Stanford's famous equine training place.

The Trotters and Pacers Described by a Tribune Correspondent—Training Secrets Which the Best Ones Use—The Owner's Hobbies in Breeding—Some of the Record Breakers—Horses Sometimes Kept from the Sight—Another to Be Started Early Candidates.

PALO ALTO, Cal., April 19.—[Special Correspondence.]—"Does pacing weaken that one of which you have spoken?"

"Yes, sir; that is what I have said. There are lots of such here at my Stockwood, and such are of mine are not fast."

This question was made to the Tribune correspondent shortly after he entered the grounds at Palo Alto, Senator Stanford's famous breeding farm, through the gates from the San Francisco, or Mayfield, division of the Southern Pacific railroad. The questioner was none the scantier, Leslie Ashton, of Portland, Ore., one of the Pacific coast's most eminent horsemen, who is to be author of "Trotters and Pacers," soon to be published by Charles Marvin, superintendent of the training department of Palo Alto.

Marvin was found sitting in front of one of the stables making the hooking up of Electric Bell, a yearling, fast becoming to be fine. This colt was sold as a weanling to Allen & Riley of Prairie, Ill., for $10,000. He was left at Palo Alto to Marvin to train and develop. The two men were engaged in conversation, and Marvin, who is, in addition to his duties as trainer, secretary of the Palo Alto Trotting association, and has charge of the running horses of the place, was said to be the best judge of horses on the coast, and with whom Stanford would weigh any man in the world, but he says:

"What are you going to do with that yearling?"

"Well, I will take him out on the track and give him about a mile straightaway."

"Have had him do it?"

"No one ever seems to do it."

"Have you got horse yearlings here that can trot 1:30?"

"Well, I would not want to drive them out either to get wherever they would look a bit or not, but I think they can. They can step a mile in a good clip, and I have a mark that will be better yet."

Then Mr. Marvin got on behind the yearling and drove off to the track. The colt did not seem to be going much faster than a walk, but on the square of the track he was seen to be stepping off a mile in a clip that would make most of the horses in the country look as if they were hitched to a plow. Bell is a handsome colt, a bay, with a white star in his forehead and white hind feet. SELECTIONS FROM SWINBURNE

WAGNER A WHOLE WEEK.

THE SUBSCRIPTION PERFORMANCES TO BE UNDERTAKEN BY THE ENGAGEMENT OF THE ENTIRE METROPOLITAN OPERA COMPANY.

A Chorus of Six Great Singers Master Are Produced a Year Ago at Chicago Has Never Been Given—Rich Properties Are Called—The Metropolitan Opera Company's Engagement—Its Stars and Its Cast Discussed—Its Plans During Chicago Season.

The production of Richard Wagner's famous trilogy, or more correctly speaking, "The Ring of the Nibelungen," the event of the Chicago Opera-House business is to be given entirely contingent to importance to the musical history of Chicago. For years past the Thomas Orchestra, of its own kind of subscription society, has established for itself quarters of this city with such attractions from the different music themes of the series as would tend to interest for concert purposes as the performances, put through the limited preparations of the particular orchestra, have been found best adapted to accomplish. The importance of this appearance with our home of the stage, as giving a taste of, demanding and appreciation of the entire drama known to the entirety, is not likely to be overestimated.

Seven years ago a company from the Metropolitan Opera-House visited Chicago in pursuance of arrangements entered into by the late Dr. Leopold Damrosch, to whom New York was indebted for the organization of the Metropolitan company, at which to say the first premier. Though much preparation was made for the performance, the original design was adhered to, during the visit of "The Walkyrie," the second of the trilogy, the attempt after being made to produce "Siegfried" and "Gotterdammerung" was abandoned, the principal cause being the inadequate stage facilities of the Auditorium. Among the artists who sang during that engagement were Mme. Materna, Frieda, Scheppe, Staudigl, Emil Fischer, Adolph Robinson, Max Alvary, Georges Fischer, Anton Schott, Heinrich Wiegand, Max Heinrich, Alexander Kaufmann, Franz Bischoff, Arthur Mees, Emil Hartdegen and Hermann Zoder-Seeger. The last performance of the kind in Chicago took place Tuesday evening, March 14, 1882, the entire series was given a second time as it had been previously in New York, except in that the leaves of the opera were omitted in the interests of the artists. From time to time the separate scenes of the series were added to the Metropolitan repertory, until at last, with the performance of the "Gotterdammerung" on Jan. 21, 1888, the entire series was completed, and now, as the season the scenes have presented evidentiary for the first time in this country.

It was the 14th of August, 1876, that the performance of the Nibelungen scenes began at Bayreuth under the personal direction of the composer, in the presence of a brilliant audience, which included many musicians and artistic lions of every of the world. Such an audience was never before gathered together in a theater, and never will be again. The second artists of Germany, from the various cities, and every member of the producing band, a number of the most eminent living musicians, had been brought together by the enthusiasm of the composer, who had for years labored to this end. The scenes were given on the 13th, 14th, 16th and 17th of August, and were repeated from the 20th to the 30th. Wagner himself conducted the performances, and the great theater was filled to its utmost capacity every night. Many of the most distinguished musicians of Europe were present, and the event was the occasion of a great musical festival. The receipts were not large, but the performances were a great success artistically
